FoodShare WISCONSIN

Your Wisconsin QUEST Card

Your QUEST card can be used to buy eligible groceries, at swipe card terminals at stores taking part in FoodShare Wisconsin. It is a plastic debit card with your name, card number and the Wisconsin QUEST logo on it.

You must have your QUEST card with you at the store to purchase food using your FoodShare account.

Choosing a Personal Identification Number

When you receive your QUEST card, you will be asked to select a personal identification number (PIN), that must be used to access your benefits when using your QUEST card. You will choose four numbers that are easy for you to remember but hard for someone else to figure out. Keep your PIN a secret. Do not write your PIN on your card, your card carrier or keep your PIN in your wallet or purse.

Using Your QUEST Card

You can use your QUEST card at swipe card terminals to buy eligible groceries at stores taking part in FoodShare Wisconsin. Most stores that participate in FoodShare Wisconsin will have a QUEST sign on the door. If your store does not have a swipe card terminal, you may not be able to use your QUEST card there. Ask the store manager or clerk if the store accepts the QUEST card.

At the checkout lane, tell the clerk that you are using your QUEST card. Once your card has been swiped through the terminal at the check out counter (either by you or the clerk), you will enter your PIN. The PIN allows you to use your card.

Spending Benefits

Each month, you may use your QUEST card as often as you want and spend as much of your benefits as you want. You can leave as many benefits in your account as you wish at the end of each month to use in the following month. However, if you do not use your QUEST card for 365 days, all your benefits will be removed from your account.

When Benefits are Deposited

Each month that you are eligible for FoodShare benefits, your benefits will be automatically deposited to your QUEST card account. The date that they are deposited is based on the 8th digit of your Social Security number (SSN).

Authorized Buyer and Alternate Payee

You can choose an authorized buyer to help you use your FoodShare benefits. In addition to the card you receive, the authorized buyer will receive a QUEST card with his/her name on it, and will have access to your FoodShare benefits to purchase food for your household.

You may also choose an alternate payee to use FoodShare benefits on your behalf. The alternate payee will receive a QUEST card with his/her name on it. You will not receive a QUEST card.

Once you tell someone your PIN and give them your card, they could use any or ALL of your benefits. These benefits will NOT be replaced. You may contact your worker to designate an "authorized buyer" or "alternate payee".

- "Inactive card". If this is your first card, you must select a PIN before it can be used. Call the QUEST Customer Service Help Line to request a PIN.
